There a limited number of front sea-view rooms, which carry an extra supplement, whilst the other rooms have pool views.

SOL DON PEDRO

The Don Pedro has been completely renovated from the first floor upwards and the newly decorated bedrooms are all en-suite. Room facilities include air conditioning/heating, telephone, LCD television, hairdryer. Also a mini bar and safe are available (payable locally) and most rooms have a balcony or terrace. Mainly southerly facing, the pool view rooms tend to get more sunshine, whereas the standard rooms do not but they do work out more economical.

We are very excited to announce our flagship, the Sol Don Pablo, is being totally renovated and refurbished and will be re-opening during Summer 2017.

For our Winter 2016/2017 programme, we will be using both the Sol Don Pedro and Sol Don Marco for our Mercian Bridge holidays, returning to the Sol Don Pablo for Winter 2017/2018.

Bedroom sizes in these two hotels are not as large as the Sol Don Pablo but are tastefully decorated to a high standard and well appointed.

The restaurant serves both hotels and offers buffet style meals. There is also a bar where you can enjoy a drink and watch the evening entertainment.

BRIDGE

As with the Sol Don Pablo, there will be a dedicated area for Mercian Travel and clients will continue to play bridge in the afternoons (subject to numbers) and every evening – all included in the price!

TRANSFERS

Transfers to and from the airport are not included in the price of this holiday. Taxis are available outside the airport and cost approximately 20 Euros, the journey takes approximately 15 minutes.

FLIGHTS TO MALAGA

The cost of the flight is not included in the price of this holiday but we can arrange them for you. Flights are available from many regional U.K. airports to Malaga so call Mercian for prices and we will endeavour to arrange the most suitable flight to meet your needs.

PLEASE NOTE:

As the Sol Don Pablo will be closed during the winter for renovation, there may be some building work being carried out during your stay at the Sol Don Marco and the Sol Don Pedro.

At the time of this brochure going to print we do not have the schedule of building works available, but will aim to keep you informed of the details once work has started. We will be working closely with the hotel management to keep this disruption as minimal as possible.
